

Go to your device WiFi Settings

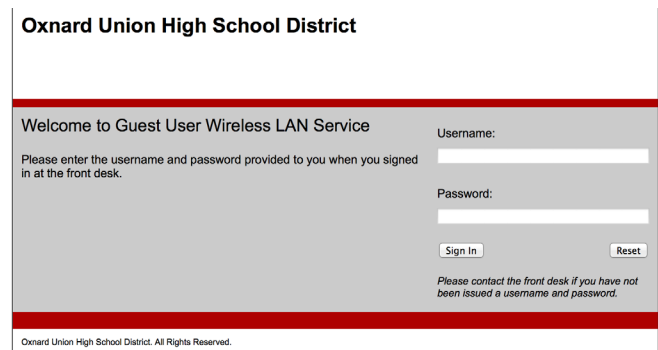

In the WiFi settings a list of available services will pop up

Select the correct WiFi service for you...

- **Students connect to:** YourSchoolInitials-Student
- **Teachers connect to:** YourSchoolInitials-Teacher
- **Staff connect to:** YourSchoolInitials-Staff

Open a Browser Window

- Open up an internet browser.
- Hit the refresh icon refresh
- You may receive a message stating the certificate is not signed. Tap on proceed anyway
- You should then get prompted for a login, which you will enter the same username and password you would use to login to a campus computer.
